

REMARKS

Claims 1 through 51 are currently pending in the application and are subject to an Election of Species Restriction Requirement. Claims 1, 11, 25, 26, 36, 50, and 51 are amended herein. Claims 2-10, 12-15, 17-24, 27-35, and 37-49 are withdrawn as being directed to non-elected species.

Applicants hereby elect, without traverse, to prosecute the species of invention as set forth in claim 16. The claims which are readable on the elected species include amended claim 1, which is considered to be generic, and claims 11, 25, 26, 36, 50, and 51.

Claim 1 is amended herein and is considered to be generic. Applicants note that claims 12, 14, 15, 17, 21, 23, and 24, which depend from claim 1, are directed to non-elected species and would be allowable upon allowance of generic claim 1. Consequently, Applicants have withdrawn these claims and anticipate rejoinder of at least these claims should claim 1 be allowed.

Applicants believe that the election of species and the claims readable thereon are proper and respectfully request an action on the merits of claims 1, 11, 16, 25, 26, 36, 50, and 51. Should the Examiner believe that further restriction is necessary, or believe that a different grouping of claims should be made based upon the election herein, the Examiner is invited to contact the Applicants' undersigned attorney at the address or phone number listed below.

CONCLUSION

Claims 1, 11, 16, 25, 26, 36, 50, and 51 are believed to be in condition for allowance, and an early notice thereof is respectfully requested.
